

Sketch Tuesday Summer Plans 2017

Note the topic for each week below. There will be a selection of inspirational paintings in each week's post for you to view. You are welcome to complete Sketch Tuesday like always with anything that comes to mind with the theme. Or, you can use one of the paintings as the inspiration, copying all or part of it as you wish.

After you complete your artwork, please email it to sketchtuesday@yahoo.com before the deadline so that I can include it in Tuesday's slideshow.
